

HELPFUL HINTS

REGISTERING YOUR ADDRESS AND MAILBOX KEY INFO

- Edenton Post Office will need to register your property address both local and with Raliegh. It is suggested you do this once construction begins as this will validate your address which is needed to connect your utilities etc. When you are ready to begin receiving mail at RiverSound you will need to place a change of address with the US Postal Service. Mailbox keys and assignment of your mailbox will be issued from the POA President. Contact the president at president@riversoundpoa.com

ANNUAL DUES AND MEETINGS

- Annual POA dues invoices are mailed out in May of each year. To ensure delivery please provide the board secretary with your up-to-date contact information. secretary@riversoundpoa.com
- Our annual property owners meeting is typically held in August of each year. We then host a cookout on the property at the Sunset Club.

BOAT TRAILER DECALS

- Beginning in August of 2024 boat trailer decals will be required for all property owners that utilize the boat launch area and the boat trailer parking spaces across from the Sunset Club. Contact the board secretary at secretary@riversoundpoa.com for your decal.
